Junior Achievement of Alaska announces funding for the Third quarter of its 2016-17 fiscal year

Anchorage, AK – Junior Achievement of Alaska – the leading provider of real world education for K-12 students in Alaska, received more than \$135,000 in corporate and foundation funding support during the third quarter of its 2016-17 fiscal year, ending June 30, 2017.

“Junior Achievement has a long history of bringing volunteers from the business community into the classroom and enriching curricula content and experiences to our school partners to help young people develop the skills and confidence required for success in school and in life,” said Flora Teo, President of JA Alaska.

Thanks to the generosity of all of JA Alaska’s funders and grantors, JA Alaska will continue to offer financial literacy, entrepreneurship, and work readiness programs to more than 700 classrooms in 55 Alaskan communities.
